OF THE WEEK

LATEST INFORMATION OF TODAY'S MATCH RACE

The great match race between Moore and Hancock's black mare Virgie A and Tom Hollinger's bay mare Aggravation at seven furlongs for \$500 will be run at Kapiolani Park this afternoon at 3 o'clock.

Virgie A. is by True Briton-Big Bertha and is an aged horse. She will be ridden by Seth Nichols. The stable colors are royal purple with white sash and white cap.

Aggravation is six years old and is by Brutus-Gladette. Harry Jones will probably have the mount. The Hollinger colors are green and gold. Each horse will carry 118 pounds, which is weight for age.

Virgie A. has beaten Aggravation twice at six furlongs. The track was sloppy, however, and favored the winner. Aggravation was not in first-class condition when these two races were run. On New Year's Day at Hilo Virgie A. succumbed by a neck to Dixie Land in a six-furlong race run on a half-mile track in 1:30. The loser was sick of catarrhal fever at the time, however.

Aggravation's last race was against Brock over three-eighths of the track. The mare won handsily.

Both horses are in excellent condition and are ready to run the race on their lives. Messrs. Westwood and Callan, the two trainers, are both extremely confident.

Nothing sensational has transpired in training, both horses having done good, consistent work unmarked by any vain trumpeting of wonderful workouts.

On Thursday afternoon an individual came into Hollinger's shop with \$1,000 to bet on Virgie A. Aggravation's owner seemed to have cold feet, however, for he covered no part of the money. The opinion of George Thomas, who has trained and ridden Virgie A. in all her races, may be of interest at this time.

Some one asked him what kind of a race horse the black mare was, when she was matched against Aggravation last year.

"Oh," said he, "I don't know much about her, but she's good enough to beat such animals as Aggravation."

The track is in fair shape and the time made this afternoon should not be much outside of 1:31.

OAHU ATHLETES GETTING READY

The field day between Oahu College and the Honolulu High School gave a good idea of Oahu's chances in the coming field day with Kamehameha. The time made in some of the events was quite good, considering the poor track.

Deverill showed remarkable ability not only as a half-mile but also as a sprinter. His time in the 220-yard dash, 24.45, while not so very fast, was very good for the track and was a great surprise to his many friends. His time of 2:12.25 for the half-mile speaks for itself. Although the track is down-hill in places, the up-hill stretch in the beginning cuts down the advantage gained by the down-hill slope. The Hawaiian time for that distance is in great danger of being lowered if Deverill is pushed at all in the coming races.

Marcellino went through his own record last week, for the quarter of a mile, and was not worked much in the race. His work in the relay was also good, considering the fact that he lost both shoes at the very beginning of the lap and had to finish it out barefooted.

Oahu has been making strenuous efforts to develop a man at the weights capable of competing with Naole of Kamehameha. Myer's showing was a very

creditable performance, and he stands a good chance of lowering Naole's colors on the 30th.

Walker showed up well in the hammer and has the beef necessary to make a good man.

Both Robinson and J. Marcellino did not do what was expected of them in the low hurdles. Both have done better in practice, both in form and time. Marcellino's great trouble was his stride.

Kaulikou and Campbell have both got plenty up their sleeves in the pole-vault, judging from appearances last week. They cleared nine feet without any trouble and seemed able to go considerably higher.

Campbell had things all his own way in the broad jump and did not nearly reach his limit last week. The high jump was an easy thing for Oahu also. How much higher the Oahuans could have gone is not known, but they cleared the bar at five feet quite easily.

The following is the list of events at the coming meet with Kamehameha School: 50-yard dash, 100-yard dash, 220-yard dash, 440-yard dash, 880-yard run, 120-yard hurdle race, 220-yard hurdle race, running high jump, running broad jump, putting 12-pound shot, throwing 12-pound hammer, throwing discus, pole vault, 1-mile relay race.

The coming dual meet will be one of the closest matches ever contested in the Hawaiian Islands. Kamehameha is confident, while Oahu is sawing wood.

TENNIS MATCHES ARE ALL PLAYED

The final match for the mixed doubles championship at Oahu College was the closest game of tennis that has been played in these Islands for a long time. While the style of play was not as good as it might have been, each team showed improvement over their previous exhibitions.

In the first round, Castle and Miss Angus won from Carnavaro and Miss Brown in two straight sets, after a hard-fought match. The score was 7-5, 6-2. Hapai and Miss Lyman won from Lansing and Miss Damon by default.

In the semi-finals, Judd and Miss Lemon won from Brown and Miss Hill by default. Castle and Miss Angus won their second match by defeating Hapai and Miss Lyman, 6-1, 6-4. In this match the play at times was close, but the losers were outclassed largely through lack of confidence.

In the finals, Castle and Miss Angus and Judd and Miss Lemon were the two contesting teams. The play was brisk in the first set for the first few games, but Judd and Miss Lemon soon warmed up and took the set as they pleased, 6-2. The second set was a repetition of the first, and not until the last did Castle and Miss Angus show any signs of a brace. The set went to Judd and Miss Lemon, 6-2.

The third set was a battle royal. Time and again it looked as if Judd and Miss Lemon would clinch matters and win three straight sets, but their opponents fought them off at every point, and finally won the set, 7-5.

The fourth set was really the decisive set of the match, for Castle and Miss Angus had now swung into their pace and improved as the game progressed. Judd and Miss Lemon made a noble effort to regain their lost ground, however, but were beaten after a hard struggle, 6-4.

In the last set matters went decidedly against Judd and Miss Lemon. Only at times did they brace and show anything approaching brilliant form. The last set went to Castle and Miss Angus, 6-2. The winners deserve considerable credit for the plucky way in which they snatched victory out of what looked to be inevitable defeat. The complete score was 3-6, 2-6, 7-5, 6-4, 6-2.

"SOCKER" WILL BE PLAYED TODAY

SONS OF KAMEHAMEHA SCHOOL WILL STRUGGLE

The Kamehamehas are putting in all the practice they can for the coming trial of speed and strength with the sons of Oahu College. They will make their end of it as hot as they know how.

Mr. C. A. McDonald, the manager of the team, states that until yesterday the recent rains had made the campus almost impassable; he expects to make up for lost time from now on, however.

Alfred Naole, the shot-and-hammer man, has just got on his feet after a spell of three weeks in the hospital; it is hoped that he may be able to compete on the 30th. James Kuoha, another good man at the weights, is also suffering from a smashed hand, and it is not known if his injury will allow him to compete.

A. J. Coats, physical instructor at the Young Men's Christian Association, is coaching the boys who will throw the discus.

The events and probable entries will be as follows: Fifty-yard dash-Kamehameha: H. Hanakahi, A. K. Akana, H. Rees or J. Pa; Punahou: Castle, Cruzan, Campbell.

Eight hundred and eighty yard run-Kamehameha: F. Scharsch, C. Spencer, J. Aki, J. Alan; Punahou: E. Deverill, Rycroft, Brown, Burns.

Running broad jump-Kamehameha: Harbottle, Aka, Hardee; Punahou: Castle, Campbell.

Four hundred and forty yards run-Kamehameha: W. Punoho, L. Alan, C. Makaul; Punahou: A. Marcellino, Schnack, Gilman.

Throwing the discus-Kamehameha: Aka, Richards, Hamauku; Punahou: Myres, A. Marcellino, Robinson.

Two hundred and twenty yards dash-Kamehameha: Pa, Hanakahi, A. K. Akana; Punahou: Castle, Deverill, J. Marcellino.

Running high jump-Kamehameha: Richards, Campbell, Hardee, Harbottle; Punahou: Campbell, Cruzan, Jaxon, Miller.

Low hurdles-Kamehameha: Harbottle, Pa; Punahou: Robinson, Williamson.

One mile relay race-Kamehameha: Hanakahi, Scharsch, Spencer, Punoho, Alan; Punahou: Spring, Deverill, A. Marcellino, Brown, Burns.

weights, throws the medicine ball and punches the bag.

At 5 o'clock or so he leaves the gymnasium, and at six his supper is ready. If the man is feeling right he hears the supper call with pleasure. Supper consists of steak, roast beef or other meat, potatoes, perhaps mashed, but baked is better, and tea.

A man in training need never go thirsty but he is not allowed to drink more water than is necessary. Smoking is cut out and chewing tobacco is bad; strong liquor is strictly forbidden in a training camp.

After supper he puts in his evening as pleasantly as possible and retires at nine. The training routine is the same, day after day, until the fight is over.

The day before the match the principals do nothing but rest. After the battle is won or lost most of them go on an extended good time and don't know when to stop. Some, however, continue to take the best of care of themselves.

It is not the first-class boxers as a rule who disgrace their profession, but the second-raters, who care little for honor or reputation.

The sport is exciting and the public enjoys good boxing, but they have been fooled too often by crooked work, and now fight shy of an advertised contest.

England has turned out few good men of late years, and Australia is a bit better as well, but it is claimed she has some good ones at home. The States seem to have a clutch on champions, and Jim Jeffries, heavyweight champion of the world; Tommy Ryan, middleweight champion, and Terry McGovern, featherweight champion, are creditable national representatives of the great game.

According to last accounts, Jim Fenn was welterweight champion. The ban division don't appear to have any leader at the present time.

Visiting Shriners are cordially invited to visit J. J. Williams' photo gallery and see the fine collection of Hawaiian views that he has on exhibition. Take the elevator in Boston block.
